*Friday, June 2*

13:00 - 14:10

**Session 3: Innovator presentations – Breakout rooms 1-4 running concurrently**

BREAKOUT ROOM 1, Theme 1: Cyber, big data and support for military personnel

- □Challenge 9 (CFP3): Remaining vigilant: Identifying cyber dependencies, vulnerabilities and threats
- □Challenge 13 (CFP3): Spot the hack: Intrusion detection systems
- □for avionics networks and bus technologies
- □Challenge 3 (CFP2): An integrated human resources data management solution

BREAKOUT ROOM 2, Theme 2: Sensing, Detection and Optimizing Field Operations

- □Challenge 3 (CFP3): Now you see me, now you don't! Reducing visual and infrared detection of
- □soldiers and their vehicles
- □Challenge 1 (CFP2): Detection of concealed explosives
- □Challenge 5 (CFP3): Shields up! Defend and protect satellites from natural and artificial threats

BREAKOUT ROOM 3, Theme 3: Innovation Networks – Autonomous systems and Advanced materials

- □Innovation Networks: Advanced materials for defence & security
- □Innovation Networks: Advanced materials for defence & security

BREAKOUT ROOM 4, Theme 4: COVID-19 and Innovations for combat in the Arctic

- □COVID-19: Moral trauma on the front lines – See, prevent and treat
- □Challenge 9 (CFP2): Full spectrum communications in the Arctic
- □Challenge 1 (CFP3): Breaking the ice – Ground solutions for removing
- □frozen contaminants from aircraft missions
- □Challenge 8 (CFP3): A cold wind blows: Seeking smaller, ruggedized wind turbines for the Arctic
